Building Game Changers, Together

First Tee — Southeast Wisconsin is a youth development organization, serving kids and teens in Fond du Lac, Jefferson, Kenosha, Milwaukee, Ozaukee, Racine, Sheboygan, Walworth, Washington, and Waukesha Counties, that enables kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do.

Experiences are our greatest teacher. We believe in developing the ones that are just as fun as they are meaningful, where kids feel excited to grow, safe to fail, and better equipped for whatever comes their way next. We've spent more than 20 years building experiences that build character to empower kids through a lifetime of new challenges and continuous personal growth.
